

Rotary Yoneyama Scholarship for Overseas Candidate

to enroll into a Japanese university or graduate school in **April / September /
October 2024**

The Rotary Yoneyama Memorial Foundation

The private organization that provides one of the
largest international scholarships in Japan,
both in terms of its program scale and the number of scholarships
awarded, supported by contributions of Rotarians throughout Japan.
Proudly support the overseas students' study in
Japan.

What Is Rotary?

Founded in Chicago in 1905, Rotary is a global network of people who are dedicated to contribute to social development and world peace through their various professions. Today, there are Rotary clubs in more than 200 countries and regions of the world. The number of clubs reached 37,183 with 1,201,101 members as of June 15, 2023. Japan's first Rotary club was established in Tokyo in 1920. There are 2,216 clubs with 84,523 members in Japan as of the end of May 2023.

I Preface

1. Objective

The Rotary Yoneyama Memorial Scholarship Foundation (hereinafter referred to as the “Yoneyama Foundation”) supports international students to accomplish high academic achievements, and at the same time demonstrates the spirit of Rotary through interactions with counselors and the *sewa* clubs. The objective is to deepen mutual international understanding and develop bonds to grow into a bridge between the student’s mother country and Japan. The scholarship qualifications therefore require enthusiasm and excellence in ①academic work, ②cross cultural understanding, and ③communication skills.

Rotary Yoneyama Memorial Scholars (hereinafter referred to as “Yoneyama Scholars”) are expected to learn the culture and customs of Japan, foster the awareness for social contribution and participation, and become a mature member of the society who can contribute to the Rotary’s ideal, creating and maintaining world peace.

① Academic work

Clarify the purpose and goal, deepen the research and studies, and make efforts to achieve results.

② Cross cultural understanding

Make efforts to understand different languages, cultures, and customs.

③ Communication skills

Develop harmonious relationships, be flexible in accepting others and grow a spirit of independence.

2. Significance

The Rotary Yoneyama Scholarship for Overseas Candidate (hereinafter referred to as “Overseas Scholarship”) was established as a special program to support overseas students from various countries and regions who are eager to study in Japan but cannot decide to do so for financial reasons. Also, the support for the overseas students starts from the first academic year after they arrive in Japan in order to alleviate their difficulties.

The Overseas Scholarship provides both financial and personal support (through counseling offered by the Rotary members) to the Yoneyama Scholars upon their arrival in Japan.

Recently, more and more universities offer admission to students prior to their arrival in Japan. These universities accept applications, determine acceptance, and permit admission prior to the applicant’s arrival in Japan. The Scholarship for Overseas Candidate is therefore suitable for international students who take entrance examinations without having to travel to Japan.

3. Characteristics

In addition to financial support, personal support by counselors and the *sewa* clubs is also provided. The scholars are expected to attend their *sewa* club meetings at least once a month. Through engagement with the Rotary Club members (hereinafter referred to as “Rotarians”) at the meetings, the scholars can deepen mutual understanding, experience true international and cultural interaction, and learn the true Rotary spirit.

4. Alumni

After the Yoneyama Scholarship Period, scholars can expand their network through the Alumni association. Scholars are eligible to participate in various Rotary Clubs and Rotary activities. Yoneyama Alumni Association has 33 groups in Japan, as well as overseas groups in Taiwan, Korea, China, Thailand, Nepal, Mongolia, Sri Lanka, Malaysia, Myanmar and Vietnam.

II Origin and History of Yoneyama Scholarship Program

1. Supported by Approx. 80,000 Rotarians

The Rotary Yoneyama Memorial Scholarship Program (hereinafter referred to as the "Yoneyama Scholarship Program") was established in commemoration of the achievements of Sir Umekichi Yoneyama, a businessman who contributed to the founding of Japan's first Rotary club. This project, which started at the Rotary Club of Tokyo in 1952, eventually developed into a joint project of all clubs in Japan, and in 1967, with the approval from the Ministry of Education (currently Ministry of Education, Culture, Sports, Science and Technology), became the Rotary Yoneyama Memorial Scholarship Foundation. On January 4, 2012, the Foundation became a public interest incorporated foundation when the new public interest incorporated foundation act went into effect. All Rotary Yoneyama Memorial Scholarships are supported by donations from the Japanese Rotarians.

2. Sir Umekichi Yoneyama, A Man of Service

Umekichi Yoneyama (1868-1946), who was given the title commemorating the Yoneyama Scholarship Program, lost his father at an early age and was raised by the single hand of his mother. When he turned 16, Umekichi moved to Tokyo from Nagaizumi Town, Shizuoka Prefecture, and worked hard to support his studies. He moved to the United States at the age of 20 and spent eight years studying abroad at Belmont Academy (California), Wesleyan University (Ohio), and Syracuse University (New York).

After returning to Japan, aspired to be a writer, Umekichi studied under Katsu Kaishu, but at the recommendation of a friend, joined Mitsui Bank and became a managing director. Later he founded Mitsui Trust Co., Ltd. and became president. As soon as the Trust Business Law was enacted, he

established a trust company, pioneered new fields, and set the purpose as "contribution to society", laying the foundation for today's philanthropy *. In his later years, he became the chairman of the Mitsui Hoonkai Foundation, and served in many social and medical programs such as funding leprosy, tuberculosis, and cancer research.

He also invested his own money for the education of children and established an elementary school with his wife Haru. "Do what you want people to do" These words were the wish of Umekichi Yoneyama and also the way of his life. Practicing the spirit of "Compassion and help for others", Umekichi was a man who spoke little and served great through quiet salvation.

* The word "philanthropy", which comes from the Greek words "philein (to love)" and "anthrōpos (mankind)", can be translated as humanitarianism and service to society.

3. The Hope for World Peace

In 1952, during the reconstruction of the country after the defeat of the war, the Tokyo Rotary Club members suggested to establish the Yoneyama Fund. Fundraising started in hope to promote and gain understanding of a "peaceful Japan" to the world. This action that started from the Tokyo Rotary Club has evolved into a joint action of all Rotary clubs in Japan.

The Yoneyama Scholarship project, which started with "Spare a box of cigarettes a month and donate for scholarships," as the slogan, now has exceeded 20,000 scholarship recipients from 131 countries and regions since its establishment.

III Application Guidelines

1. Application and Screening Procedures

(1) Applying

The recruitment and application for overseas application scholarships will be handled by the Yoneyama Foundation secretariat. Recruitment starts from early October.

(2) Screening

Japan's Rotary organization consists of 34 districts, and each district has a Rotary Yoneyama selection committee. Applicants will be judged by the selection committee of the Rotary district where the university to be enrolled is located (hereinafter referred to as the "District Selection Committee"), and by the Foundation's own selection committee. However, under the decision of the District Selection Committee, the committee may conduct direct or online interviews with applicants and/or supervisors, and hearings via telephone and/or email.

2. Number of Awardees

Approximately fifteen persons.

*Additionally, a maximum of one awardee per district is allowed outside of this framework.

It is the district's decision to determine the number of awardees within the allocated framework.
